

BLB&B Advisors, LLC
FINANCIAL GUIDANCE SINCE 1964

We hope this email finds you and your loved ones safe and healthy. These are stressful and uncertain times and we are here to provide support and address your questions and concerns.

The COVID-19 crisis has created many challenges, changing day-to-day life routines in unprecedented ways. This past weekend, Pennsylvania Governor Tom Wolf asked businesses in Montgomery, Delaware, Bucks and Chester Counties to implement operational changes in an effort to help contain the spread of this virus. It is likely additional state and federal rules will take effect to promote social distancing and halt further spread of the virus.

Accordingly, and in the best interest of our clients, staff, neighbors, and friends, effective today BLBB will continue operations remotely. While we will be temporarily unable to welcome you to our office in person, we have the systems in place which will minimize any interruption to the level of service we provide to our clients.

We will continue to accept calls to our office phone number (215-643-9100), respond to emails, monitor mail, process withdraws and deposits, and manage your investments. Should you have any questions or need any assistance, please call or email your Financial Advisor.

Very Truly Yours,
